

## cool down with these summery fans

You'll be ready for the summer weather with these fun, colourful fans!

1. You can use the paper on the following pages.
2. Cut out: Two red squares and a total of 8 narrow green strips (4 x light green and 4 x dark green).
3. Glue the green strips to the edges of the two red squares.
4. Draw a pattern on the red squares using a pen.
5. Fold in an accordion pattern.
6. Sew the two folded pieces of paper together in the middle using a needle and thread, to create a bow shape.
7. Glue the top together.
8. Glue two sticks to the open part at the bottom.
9. Glue the sticks together if you'd like to.
